Celebrates Sixty-Sixth Wedding Anniversary

MR. AND MRS. T. M. BROWN

Old time residents of the Pincher Creek and Fort Macleod districts for over half a century, Mr. and Mrs. Theodore Mathias (Matt) Brown celebrated their 66th wedding anniversary at their home in Pincher Creek on Sunday, August 25th. Mr. Brown taught school in North Dakota for several years.

They were married in Bond County, Illinois, U.S.A. on August 12th, 1897, when they purchased a farm and General Store which they operated until 1906 when the call of the west urged them to migrate to Canada where they purchased a 1,800 acre ranch at Spring Point which was well known as a friendly gathering place and their door was always open to all. Mrs. Brown will always be remembered for her motherly acts of kindness to her pioneer neighbors in times of sickness and distress.

Mr. Brown was postmaster and mail carrier of the Spring Point post office which was located in their ranch house from 1910 until his retirement in 1947 when they moved to retire in Pincher Creek. He held the record of never missing a trip with the mail in the 37 years he held the contract when at times during the winter months, roads were almost impassable and

he faced severe blizzards.

Approximately 150 old time friends gathered at their home for the occasion. A toast to the wonderful couple was given by Mr. J. Hanrahan and was responded to by (Matt) Mr. Brown in his usual jovial manner. Congratulatory telegrams were received from Prime Minister Lester B. Pearson, Mr. William Kovach, M.L.A. and Mayor Buzzinis of Fort Macleod, also cards, telegrams, letters of congratulations, flowers and gifts from old time friends in Canada and the United States who were unable to be present.

Relatives in attendance were: their two daughters, Mrs. J. B. (Ethel) Fischer of Fort Macleod and Mrs. T. (Mildred) Holstead of Coleman; three granddaughters, Mrs. J. Hanrahan, Mrs. C. Westley and Mrs. A. Pharis all of Coleman; one great granddaughter and six grandsons and one great great grandchild. Out of town guests present were from Idaho, U.S.A., Calgary, Fort Macleod, Cowley, Bellevue, Blairmore and Coleman.

During the afternoon a local orchestra gathered on the lawn and played old time selections which echoed through the trees and house, making memories which will always be cherished.

Mr. Allen also stated that the grade nine results were equally satisfactory as 89.1 per cent passed into grade ten.

Grass Fire Is Quelled

A small grass fire that started near Gratton Town on Thursday afternoon was soon put out by the Coleman town crews and nearby residents. The Blairmore Fire Brigade was called to the scene as the Coleman fire truck was undergoing repairs.

Hunters Urged To Use Caution

With the Big Game Season having opened Saturday, August 31st, officials of the Forestry and Game Departments are urging hunters to be extremely careful with fires as conditions in the Crows Nest Forest Reserve are reported to be in a high dry extreme condition at the present time and will remain so until a heavy rainfall occurs.

John Hogan, superintendent of the Blairmore offices of the Forestry Department, reports that an excellent year has been enjoyed in the Crows Nest Forest Reserve with respect to forest fires, as only a few lightning strikes last week started fires which were quickly spotted by look-out men and crews were rushed to the scene and fires put out without any damage. No fires of any consequence have been experienced this year, and Mr. Hogan credits much of this to the caution and carefulness of fishermen, hunters, picknickers and travellers through the area.

With respect to hunting in the area, Mr. Hogan and game wardens are urging prospective hunters to carefully read their brochures and if there is any uncertainty of any item listed, any forest or game officer or the Blairmore Forestry offices will be happy to assist.

Complete Game Acts are now available at the Forestry offices for a very nominal fee.

The wardens and game officers point out that many of the game infractions are the result of a hunter's misunderstanding or ignorance of game laws and laws are mostly broken unintentionally, but game officers have no alternative but to prosecute offenders.

The great importance of hunters wearing clean, pure scarlet, long-sleeved outer garments and scarlet hats is again stressed by the department as a safety measure for the public.

Old, unclean garments should be dry-cleaned to make them as conspicuous as possible, and it is again pointed out that checkered clothing is not suitable.

Hunters using horses on their trip are urged to use bright scarlet clothing to avoid accidents. In this respect hunters spotting animals or game should make certain of their target before firing to avoid fatal accidents.

Forest and game officers are very proud of the fine record in the Crows Nest forest where no accidents have as yet happened. This fine record is attributed to the care exercised by the public in general, and it is hoped that this record will be maintained.

Sportsmen planning on hunting

early in the season should, and arranged to make arrangements and preparations to get their meat into coolers to avoid waste and spoilage of meats.

Mr. Hogan has announced that formerly closed roads in the Crows Nest Forest are now open to the public and include the South-Castle Road, the Dutch Creek truck trail and the Old Man River truck trail. This privilege to hunters marks the first time these roads have been open before the fire season, and it is reported that all roads are in good condition and give access to excellent hunting grounds. Look-out roads are not open to the public as these roads are of a precarious nature and dangerous to travel on by inexperienced drivers. Due to these facts these trails are closed to vehicular travel. All side and back roads, although only constructed of dirt, are in good condition.

It is also pointed out by game officials that hunters must carry rifle and travel permits and hunters are urged to take extreme care with cigarettes and camp fires.

Several of the game infractions, which create unpleasant situations between the hunters and game wardens and result in fines are as follows:

To hunt big game unless visibly clothed in a long-sleeved coat or other long-sleeved outer garment and cap of complete scarlet material.

To carry a loaded firearm in any horse-drawn or motor-driven vehicle. No live ammunition may be carried in the breech or the magazine.

The game laws indicate that a resident is a person who has resided in the province for a period of one year immediately prior to the date of application for a licence under the Act.

The big game regulations also note that no person who has not attained his 14th birthday shall, either directly or indirectly, apply for, or in any way, obtain or have in his possession, a licence or permit. A person who has not attained his 18th birthday shall not hunt unless —1, he has obtained a valid license, and 2, he is accompanied by his parents or legal guardian.

Coleman Pensioners Meet

The Coleman Old Age Pensioners Association held a meeting and a pot luck supper this week when some 35 members attended.

During the business meeting, Mrs. Joseph Dick gave a short report on the recent convention held in Fort Macleod, attended by twelve of the Coleman Association. Several of the resolutions that were passed at the convention were discussed at the meeting. An evening of bingo and games were then enjoyed.

A draw for one of the two pairs of pillow cases donated to the Coleman Association by Mr. and Mrs. Chernecky of Calgary was drawn for and won by Adam Hammer of Coleman. The door prize was won by Mrs. Bert Westworth.

Representatives of Lethbridge Junior College will be attending a meeting in Coleman main school auditorium on September 12th at 8 p.m. and all interested persons are welcome to attend.

Two Get 9-month Jail Terms

Carl Many Guns of Gleichen, and his friend, Adrian Crazy Boy of Brocket, were sentenced to nine months in the Lethbridge Provincial Jail on September 5th, when they appeared before Magistrate F. S. Radford of Blairmore on charges of breaking, entering and theft and an intoxication charge.

The men had broken into the Empire Hotel on the evening of September 8th and had stolen \$100.

Coleman police, with the aid of the RCMP/Police apprehended the men in Blairmore.

The men were sentenced to nine months on breaking, entering and theft charges and to 30 days on the intoxication charge, with sentences to run concurrently.

Soccer Crown To Coleman

Jim Koszegi scored with seven minutes remaining to give Coleman the South Western Soccer league crown in a final game with Blairmore September 2.

Coleman had advanced to the finals by taking out Brocket 10-1, while Blairmore defeated Pincher Creek 2-1 in the semi-final contest. Coleman will now hold the Dr. David Kerfoot trophy for their victory.

Blairmore had taken an early lead in the first period, but a tying goal by Zoltan Goddor and Koszegi's goal spelled the end of the contest.

Bubniak-Raymond Wedding

Baskets of white gladioli and yellow mums graced the altar of the Holy Ghost Catholic Church in Coleman on Saturday, August 24 for the double ring ceremony, uniting in marriage Eleanor Mary Raymond and Thomas L. Bubniak. The bride is the youngest daughter of Mrs. K. Raymond and the late Henry Raymond, and the groom is the only son of Mr. and Mrs. L. Bubniak, all of Coleman.

The nuptial mass was performed by Rev. Denis Fleming. Mrs. Chris Peressini and Mrs. Millie Yanota, sisters of the groom, sang during the mass. Nieces of the groom sang during the signing of the register, witnessed by Mrs. Irene Macfarlane, sister of the groom, and Mr. Jim Lant.

Given in marriage by her grandfather, Mr. V. Marcolin of Bellevue, the bride approached the altar in a full-length white organza gown with lily-point sleeves. The sweet-heart neckline and straight front panel were trimmed with white lace roses and iridescent pearls. Panels trimmed with lace rosettes and pearls accented the train length gown. Her bouffant shoulder length nylon net veil cascaded from a pearl and aurora borealis crown. A single strand of cultured pearls, gift of the groom, was the bride's only jewelry. She carried a mother-of-pearl Prayer Book topped with a white orchid and baby rosebuds. The cascading streamers were interwoven with baby rosebuds and green ivy.

Matron of honor, Mrs. Joy Tarcon, sister of the bride, wore a street-length bell-shaped gown of white peau de soie. Complementing her ensemble was a Nile green picture hat with white ribbons and Nile green satin slippers. She carried a wicker basket of white gladioli and Nile green mums.

Mrs. Gloria Oczkowski and Mrs. Darlene Rae, as bridesmaids, wore gowns identical to that of the matron of honor. Their white picture hats were trimmed with pink and blue respectively and they wore satin slippers of matching color to complete their ensemble. They carried baskets of white gladioli and pink and blue mums.

Kim Lori Tarcon, niece of the bride, as flower girl, wore a short full dress of white organza, with matching brimmed hat, and carried a small basket of yellow and white mums.

Gary Quarin, nephew of the groom, was ring-bearer, carrying a white satin pillow trimmed with lace and lily of the valley streamers.

Attending the groom were Raymond Cornez of Calgary; Robert France and Joey Wavrecan of Coleman. Ushers were Jim Lant of Coleman, and Frank Capren of Bellevue.

At the reception held in the Elks hall, Gino Quarin, brother-in-law of the groom, acted as master of ceremonies. Grace was offered by Father Fleming. The toast to the bride was proposed by Ray Cornez. The groom proposed a toast to the parents, responded to by Mr. L. Bubniak. Robert France proposed a toast to the bride's attendants, to which Joey Wavrecan replied.

Mr. Bubniak, father of the groom, welcomed all the guests and introduced two of his relatives, who had travelled all the way from Czechoslovakia for the occasion.

The hall was decorated with gladioli and colored streamers, and the bride's table was centred with an original cathedral wedding cake designed by the bride, the top of the cake depicted the entire wedding scene, complete with red velvet carpet leading to the altar. Figurines representing the bridal party flanked the altar stairway. The wedding cake built in the form of a church altar and featuring the priest, bride and groom and their attendants was baked and decorated by Mrs. Edith C. Clarke of Coleman.

The guest book was attended by Miss Cheryl Peressini and Miss Sandra Yanota, nieces of the groom.

For a honeymoon trip to Las Vegas, the bride wore a white sherron sheath dress with matching trotter length coat, accented by pink satin slippers and hat. She wore a corsage of pink baby rosebuds.

More Historic Signs Erected

The Museum Branch of the Alberta Department of the Provincial Secretary, has announced that two more rustic style Historic Signs have been erected along the Alberta Highways.

One of the new historical signs marks Massacre Butte, and is located one mile south of Cowley on Highway No. 3.

"Less than three miles north of here is the site where an immigrant train of 12 men, women and children was massacred in 1867 by a party of Blood Indians. The night attack was led by the warrior Medicine Calf. Only one victim was identified; a man named John Hoise. The immigrants were part of Captain Fiske's west-bound expedition from Minnesota and had left the main party in Montana.

"A government of Alberta cairn now marks the site."

The other sign, on Highway No. 23, one mile south of Carmanagay, is entitled "Cattle Barons" and reads:

"In 1880 the Dominion government opened Southern Alberta for ranching. The purpose was to promote settlement and development. An attractive annual rent of one cent per acre encouraged formation of several large cattle companies. Some of these ranch companies leased as much as 100,000 acres of grazing land. The nutritious grasses, numerous streams and sheltered coulees provided a ranchman's paradise.

"After the influx of homesteaders into the area, beginning in the 1890's, few of the great spreads survived."

Filling In Forms Can Take Some Funny Forms

During the Christmas holidays we spent a pleasant evening with an old friend. The matter of pain and anguish caused our publishing partner when she does the government work every month.

brought forth the following small contribution to bureaucratic folk lore. Following the introduction of a free milk scheme for expectant and nursing mothers in the Republic of Eire, the following are extracts from some of the letters received:

1—Please send me forms for free milk as I am expecting another.

2—Please send me form for free milk for having children at reduced prices. I have a baby 12 months old. Thanking you for same.

3—Will you send me form for cheap milk. I have a baby two months old and did not know anything about it until a friend told me.

4—I posted a form by mistake before my child was properly filled in.

5—I have a baby two months old entirely fed on a cow and another baby.

6—Sorry I have been so long filling in the form, but I have been in bed with my baby for three weeks and did not know it was running out until the doctor told me.

7—Milk is wanted for my baby—father is unable to supply it.

8—I cannot meet sick pay. I have six children. Can you tell me why?

9—Sir, I am forwarding my marriage certificate and two children, one of which has been a mistake, as you can see.

10—I require extra milk as I am stagnant.

11—In accordance with instruction, I have given birth to twins in the enclosed envelope. —Chesterville (Ont.) Record.

Dear Tom and Mildred:
Enclosed find money order for The Journal. Louis and I are settled and like it out here. There are so many lovely flowers that I have never seen before.
I am getting the yard in shape as it has never been landscaped. Louis drives 25 miles to and from

Say hello to Colemanites from us.
Always,
